

Charleston, SC

*T*his three-day itinerary visits Charleston's premier attractions and offers a variety of activities for students.

Taking an interdisciplinary approach to your curriculum needs, we have included sites that have special programs for students. Social Studies standards are emphasized with lessons in colonial, antebellum, Civil War, military, and African-American history. In addition, biology, agriculture, botany, and conservation are highlighted in this itinerary.

Escape the confines of the classroom, and join us in Charleston for a unique educational experience!
