CHARLESTON CIVIL WAR

Bring the Civil War to life on this trip to Charleston! Sail to Fort Sumter and tour the site that stands as a constant reminder of the beginning of the War Between the States.

On your guided walking tour, learn about the reasons that led South Carolina to secede from the Union and the effects that the conflict had on the city & state's economy and culture.

Finally, visit the Hunley Conservation Lab and see the first submarine ever to sink an enemy ship in battle.

Our interdisciplinary approach to the Civil War includes lessons in social and military history, forensic science, archaeology, and conservation.
